NAB Missionary of the Week  
**Gary Clatterbuck**  
Field Coordinator, Russia

Gary Clatterbuck is the field coordinator for Russia, working under the Moscow Theological Seminary and providing teachers, upon request, to ten different Learning Centers across Russia. He continues to work with MTS to plan future ways consultants can serve the developing leaders in all of Russia, though there is some uncertainty concerning a law that passed last summer calling for tighter restrictions on missionaries and evangelism. Pray for the cases working their way through the courts, as well as the hearts and actions of Russia's leaders. Due to the precarious nature of the situation because of the new law, please don't share this anywhere online, including social media.

Thank you for your generous gift to Hilltop Christian School. It is very helpful at this time. We are already planning for next year, and praying for a couple of new teachers (and more students.)
