Laci is a master trainer with the Misszio az Egeszseges Kozossegekert (MEK) Team in Hungary. He is responsible to teach advanced Community Health Evangelism to CHE leaders and workers in Hungarian-speaking areas through vision conferences. He conducts training seminars and development courses. Eszter – with her background in physical education, children, youth work, and theology – specializes in holistic outreach and discipleship ministries with poor women and children, primarily in Gypsy communities. She is responsible for setting up and leading MEK's Women's Cycle of Life and children's training programs. Their son Simi, is now one. Both of them were among one thousand future leaders invited to participate in the Lausanne Movement's Younger Generation Leaders Gathering held in Jakara, Indonesia, at the beginning of August. While they were unable to attend, this was a significant acknowledgement of their ministry. Pray for their continued work with MEK.

John and Gwen Haspels will be speaking.

The Haspels have been missionaries in Ethiopia since 1974. On Oct. 1, 2014, a gunman fired into their car window as they traveled to a work project. Gwen was hit just above the lip, shattering her jaw. Many of the 20 teeth which were shot out were imbedded in John's arm and chest. A bone fragment hit him in the eye. After many surgeries, they were recently able to visit their mission in Ethiopia.

Thank You

I would like to express my appreciation for the prayers on my behalf during my back episode followed by back surgery and recovery. I definitely felt those prayers and knew that Jesus was with me. Thank you for the cards, plus the awesome flowers that I have enjoyed at Wesley Rehab Hospital and while recovering at home. Also, thank you to those who visited me. I appreciate my church family.

Good Advice from President Franklin D. Roosevelt

November 1941 (shortly before Pearl Harbor)

I suggest a nationwide reading of the Holy Scriptures during the period from Thanksgiving Day to Christmas...Go to the Scriptures for a renewed and strengthening contact with those eternal truths which have inspired such measure of true greatness as this nation has achieved.
