Marijana works alongside Ron and Jeannie Seck, and is leading the development of Community Health Evangelism ministries in Serbia, especially around the city of Novi Sad. Marijana has a background in hospice care and social services both of which have helped shape her love for those in great need. Next month, in partnership with Proclaim International, Marijana and her team will be holding a local fiesta in Bačko Gradište to allow the villagers to get to know them, and for the team to bring a little fun to the village.
