NAB Missionary of the Week

Nick and Iris
East Asia

Nick and Iris work within a restricted nation in East Asia pioneering a new work. They are building significant relationships with those in the community where they live. They are actively working in a divorce care group, where relational doors are opening. Since their return from home assignment, they have been blessed to lead countless counseling sessions, where they are provided open doors to speak about their faith. Ask our Father to care for them and the lost souls they will be interacting with this week during an outreach in a suburb. Intercede as well for additional servants to join them in their work in East Asia.
