NAB Missionaries of the Week
Drs. Dennis & Nancy Palmer
 Cameroon

Dennis and Nancy Palmer have been working at Mbingo Baptist Hospital in northern Cameroon for the past fifteen years, having previously served for nearly a decade at Banso Baptist Hospital and in other capacities. They currently work in hospital development which includes a number of larger projects, including a long-term project to develop radiation therapy for cancer patients, a hydro-electric dam, and more recently, a telepathology system. Pray for the NAB. Pray for the safety of the doctors, staff, and patients at Mbingo. Due to the violence, it is currently the only major hospital operating in the area.

“Wheat, Weeds, and Promise”

Matthew 13:24-43

By this time in His public ministry, Jesus’ popularity had given way to increasing hostility and opposition. Many in the crowd undoubtedly asked: If the kingdom of heaven has arrived, why has it not triumphed more overtly and visibly? If Jesus is the herald of the kingdom, why is the response to Him not more uniformly positive?

Despite _____ appearances, God’s Kingdom will _____ and its true subjects will _____!

Consequently, God’s children are called to

1. _____ God in trying circumstances.
2. _____ in God’s sovereignty and power.
3. _____ God for the promises of the future.

Conclusion: God grows what appears to be a tiny

_____ into a powerful

_____ for good.

Will we _____ and faithfully

_____ in God’s

work in our little corner of the world?
