Dear friends at Calvary Baptist, Well, another “coronavirus” week has passed, and I’m thinking it’s going to be hard for some of us to go back to our normal, busy schedules of activities! I’m actually loving all these extra hours at home to work on the new ladies’ Spanish Bible study and get caught up with other things. But I do feel so sorry for all the people who are sick and dying and suffering financially. Your support checks for April arrived yesterday, so once again, we want to thank you for your faithfulness! We trust you are all keeping well, and that this quarantine time is actually proving to be a blessing in your lives, and giving you much more time in God’s presence and the Word! I try to keep contact with my 30+ Bible study ladies via What’s Up, and they’re so good about encouraging and praying for each other, even the new believers. I do hope you have a blessed and meaningful “Corona” Easter, whatever that means at Calvary! Love and prayers, Royce and Sue
