Hosted by the Wakefield ladies

Due to the ongoing situation and rising cases of COVID-19 in Kansas, Calvary Baptist Church will not resume our Sunday school classes or nursery during the worship service on July 12, as originally planned. We are disappointed that these ministries cannot resume at this time, but believe this is the best decision for the health and safety of everyone in our church.

We will continue to host a worship service at the church building on Sundays at 11:00 a.m. We ask that everyone practice the common sense of hand hygiene, and avoiding contact with others. Please be mindful to maintain social distancing as much as possible while in the church building, and be courteous to one another regarding these things. Face masks are not mandatory at this time, but encouraged for those who would like to wear them. We want everyone to feel welcomed and safe at church. In addition, we will continue to livestream our worship service on the CBC Facebook page, and post it on cbcstafford.org. Thank you for your continued patience as we work to improve the quality of our online worship service.

Thank you! Pastor Jeff and the CBC Deacon Board

Note from the C. E. Board

The CE Board is looking for CBC members who would be willing to help with the worship hour nursery when it opens back up. Many of the workers who have helped in the past do not feel comfortable yet in doing so. Hopefully some of our younger members and mothers of children using the nursery will be willing to help fulfill this need. We also need youth helpers (4th graders through high school). There is a sign-up sheet on the front bulletin board for volunteers. Thank you who have already signed up!

NAB Missionaries of the Week

Brandon and Marci Jones, NAB Missionaries, Brazil

Brandon and Marci knew God wanted them to be missionaries, but it wasn't until 2015 that God directed them to Brazil, where they have been for the past seven months. Brandon and Marci and their three children—Daniel, Monica, and Olivia—are continuing to establish new rhythms of life. Brandon is teaching one class per semester at the Baptist Theological Seminary as he deepens his grasp of Portuguese. The rest of the family is also struggling through the language-acquisition process in the midst of all of the other transitions and difficulties. Pray for healthy stress management for all five members of the family, but especially Brandon and Marci as they help their children navigate this new country. Pray also that each of them learns Portuguese well.
