STAFFORD COUNTY CORE

We have 20 who are graduating from the Getting Ahead Class – 10 from Stafford, and 10 from St. John.

Felicia Norton has been a key support person of the St. John CORE program, similar to what Jeanette has been doing for Stafford CORE. We are thankful for you ladies, and take this opportunity to say Thank You!

During this crazy time of the Covid 19 lockdown, the staff has been able to stay in contact, offer encouragement, help as needed, provide meals, and offer the continual connection to someone who cares.

We are determined to keep this program strong and making a difference in Stafford County. Thank you for your support in this important program. Together we are Changing Lives!

NAB Missionaries of the Week

Drs. Dennis & Nancy Palmer, Cameroon

Dennis and Nancy Palmer have been working at Mbingo Baptist Hospital in northern Cameroon for the past fifteen years, having previously served for nearly a decade at Bango Baptist Hospital and in other capacities. They currently work in hospital development, which includes a long-term project to develop radiation therapy for cancer patients, a hydro-electric dam, and, more recently, a telepathology system. Pray for the Palmers as they move into a season of medical missions recruitment within the NAB. Pray for the safety of the doctors, staff, and patients at Mbingo, which is currently the only major hospital operating in the area due to the ongoing unrest.
