NAB Missionary of the Week

### Kristi TenClay, NAB Missionary, Cameroon

Kristi has been serving in Cameroon since 2010, where she has been teaching missionary children and international students at Rain Forest International School in Yaoundé. This school year is much different than when she took on the role of interim director of the school. Though the previous director did a great job over the previous school year of helping Kristi prepare, the steep learning curve is requiring her to simply jump in and trust in God. Pray for Kristi as she is now full-time director, that she would rest in God's strength. Pray that the students and staff would develop healthy balance and priorities through whatever comes their way.
