NAB Missionary of the Week

**Mark Zubert, Create Church in Minneapolis, Minnesota.** Create Church describes itself as neighbors from every walk of life simply following Jesus in an informal, non-religious, relationship-first, compassionate community. Create Church is designed around creating niche communities of people in an effort to go to the places Jesus would go, eat with the people Jesus would eat with, and create church for the people farthest away from the organized church. Pray for their efforts to connect with the local community through studying, playing, and praying together.
