“The New Testament Canon”

With Dr. Michael Kruger of Ligonier Ministries
Facilitated by Pastor Jeff

Opponents of Christianity raise challenging questions about the origins, authorship, age, and reliability of the 27 books of the New Testament. When the authenticity of the New Testament is questioned, so is the Gospel. In this series, we will critique the most common objections to the canonicity of the New Testament, and articulate sound reasons to believe with confidence that the New Testament is the authentic, true, and inspired Word of God

Ladies at Calvary,

Thank you so much for the very generous gift we just received from you! At the same time we received another bill for my (Sue’s) recent hospitalization (the cardioversion to put my heart back in rhythm) I thought of that verse, “Before they call, I will listen...” Before we had the bill, You had already supplied a large part of it!

Thank you, too, for your prayers! My heart did NOT stay in rhythm, but the EMT doctor made me an appointment with a voice specialist. We’re hoping she can find a solution for the hoarseness, which has become worse. I’m so thankful to be able to co-teach (in Spanish) with our daughter, Becky! May you each have a blessed and meaningful Christmas and New Year!

Love, Royce and Sue Baron
