Hope Community Church in Antelope, California

John has felt a call to plant a church in the Antelope area since 2004, but it wasn't until March 2019, that Hope Community Church officially launched. Since then, they have seen many people renew or begin relationships with Jesus.

**Pray** that new followers of Jesus will continue to find their way back to God at Hope.

### **“The New Testament Canon”**

With Dr. Michael Kruger of Ligonier Ministries  
 Facilitated by Pastor Jeff

Opponents of Christianity raise challenging questions about the origins, authorship, age, and reliability of the 27 books of the New Testament. When the authenticity of the New Testament is questioned, so is the Gospel. In this series, we will critique the most common objections to the canonicity of the New Testament, and articulate sound reasons to believe with confidence that the New Testament is the authentic, true, and inspired Word of God.
