Thank You

Thank you so much for your thoughts and prayers during Lawrence's hospitalization and after his passing. Also, thank you for the thoughtful gift bag that brought a lot of comfort. Through the years, I have had a song that I sing to myself "God Will Take Care of You." All the doctors could not find a reason for Lawrence's death. If he would have lived, we knew he had a long, hard road ahead of him because of his dementia. I take comfort in knowing that God does have a plan for each of us and that he will take care of us. I, his family, and many friends will miss him but know that he is with the Lord.

—The Family of Lawrence Gillespie

Thank You

Thank you to everyone who prayed for my brother in his illness and for our family in his passing. Your texts, calls, cards, hugs, and kind gestures have been so comforting and have meant so much. Our hearts are warmed by the love and support of our church family. With much gratitude, Gail Woodward and Family.
