**Billy Graham** was known to the world as "God's Ambassador" and "Pastor to Presidents," but to his five children, he was just "Daddy." Below are some of his quotes about fatherhood, family and faith.

"A good father is one of the most unsung, unpraised, unnoticed, and yet one of the most valuable assets in our society."

"The greatest tribute a boy can give to his father is to say, 'When I grow up, I want to be just like my dad.' It is a convicting responsibility for us fathers and grandfathers."

"Our lives speak loudly to those around us, especially the children in our home."

"Parenting is the most important responsibility most of us will ever face, and none of us does it perfectly."

"I'd rather hear my father pray than anybody in the world."

There was no CBC Board Meeting in May
